PREPARATIONS FOR THE NEW
SCHOOL YEAR

CAMPUS UPDATE

CAMPUS TOUR

UPCOMING EVENTS

CONTACT US

Welcome to Malvern College Hong Kong!

After more than three years of planning, we are thrilled to announce that Malvern College Hong Kong will open its doors on 27th August 2018. We are looking forward to welcoming our founding cohort of pupils, and we hope that our entire school community is as excited as we are now that this long-anticipated day is upon us.

A MESSAGE FROM OUR FOUNDING HEADMASTER DR ROBIN LISTER

Dear Parents,

For those who have recently visited the campus you will have noticed the increased sense of purpose and activity as we ready ourselves for our opening day. In addition to the succession of trucks which have arrived with the last batches of furniture for the classrooms, Grub and school offices, I have been delighted to welcome our teachers and education assistants. They arrived for a full two weeks of induction training ahead of the beginning of term and all have been working tirelessly; making lists, drawing up schedules, finalising curriculum plans and ensuring their classrooms are fully equipped.

Yesterday, I even saw a plastic human skull being put together in one of the science laboratories and, now that our school librarian has arrived, the library shelves will soon be replete with books! While putting their own personal touches to their classrooms and laboratories, our teachers have also had the chance to sample our nutritious and tasteful school meals. Now, all that is needed are the children; to fill the spaces, sit on the seats and begin to explore their new school.

It is certainly an exciting time for us all and the team and I are all very much looking forward to the start of term. In the meantime, I hope that we shall see many of you at the first Parents' information meetings on August 22nd and 23rd.

With sincerest best wishes,

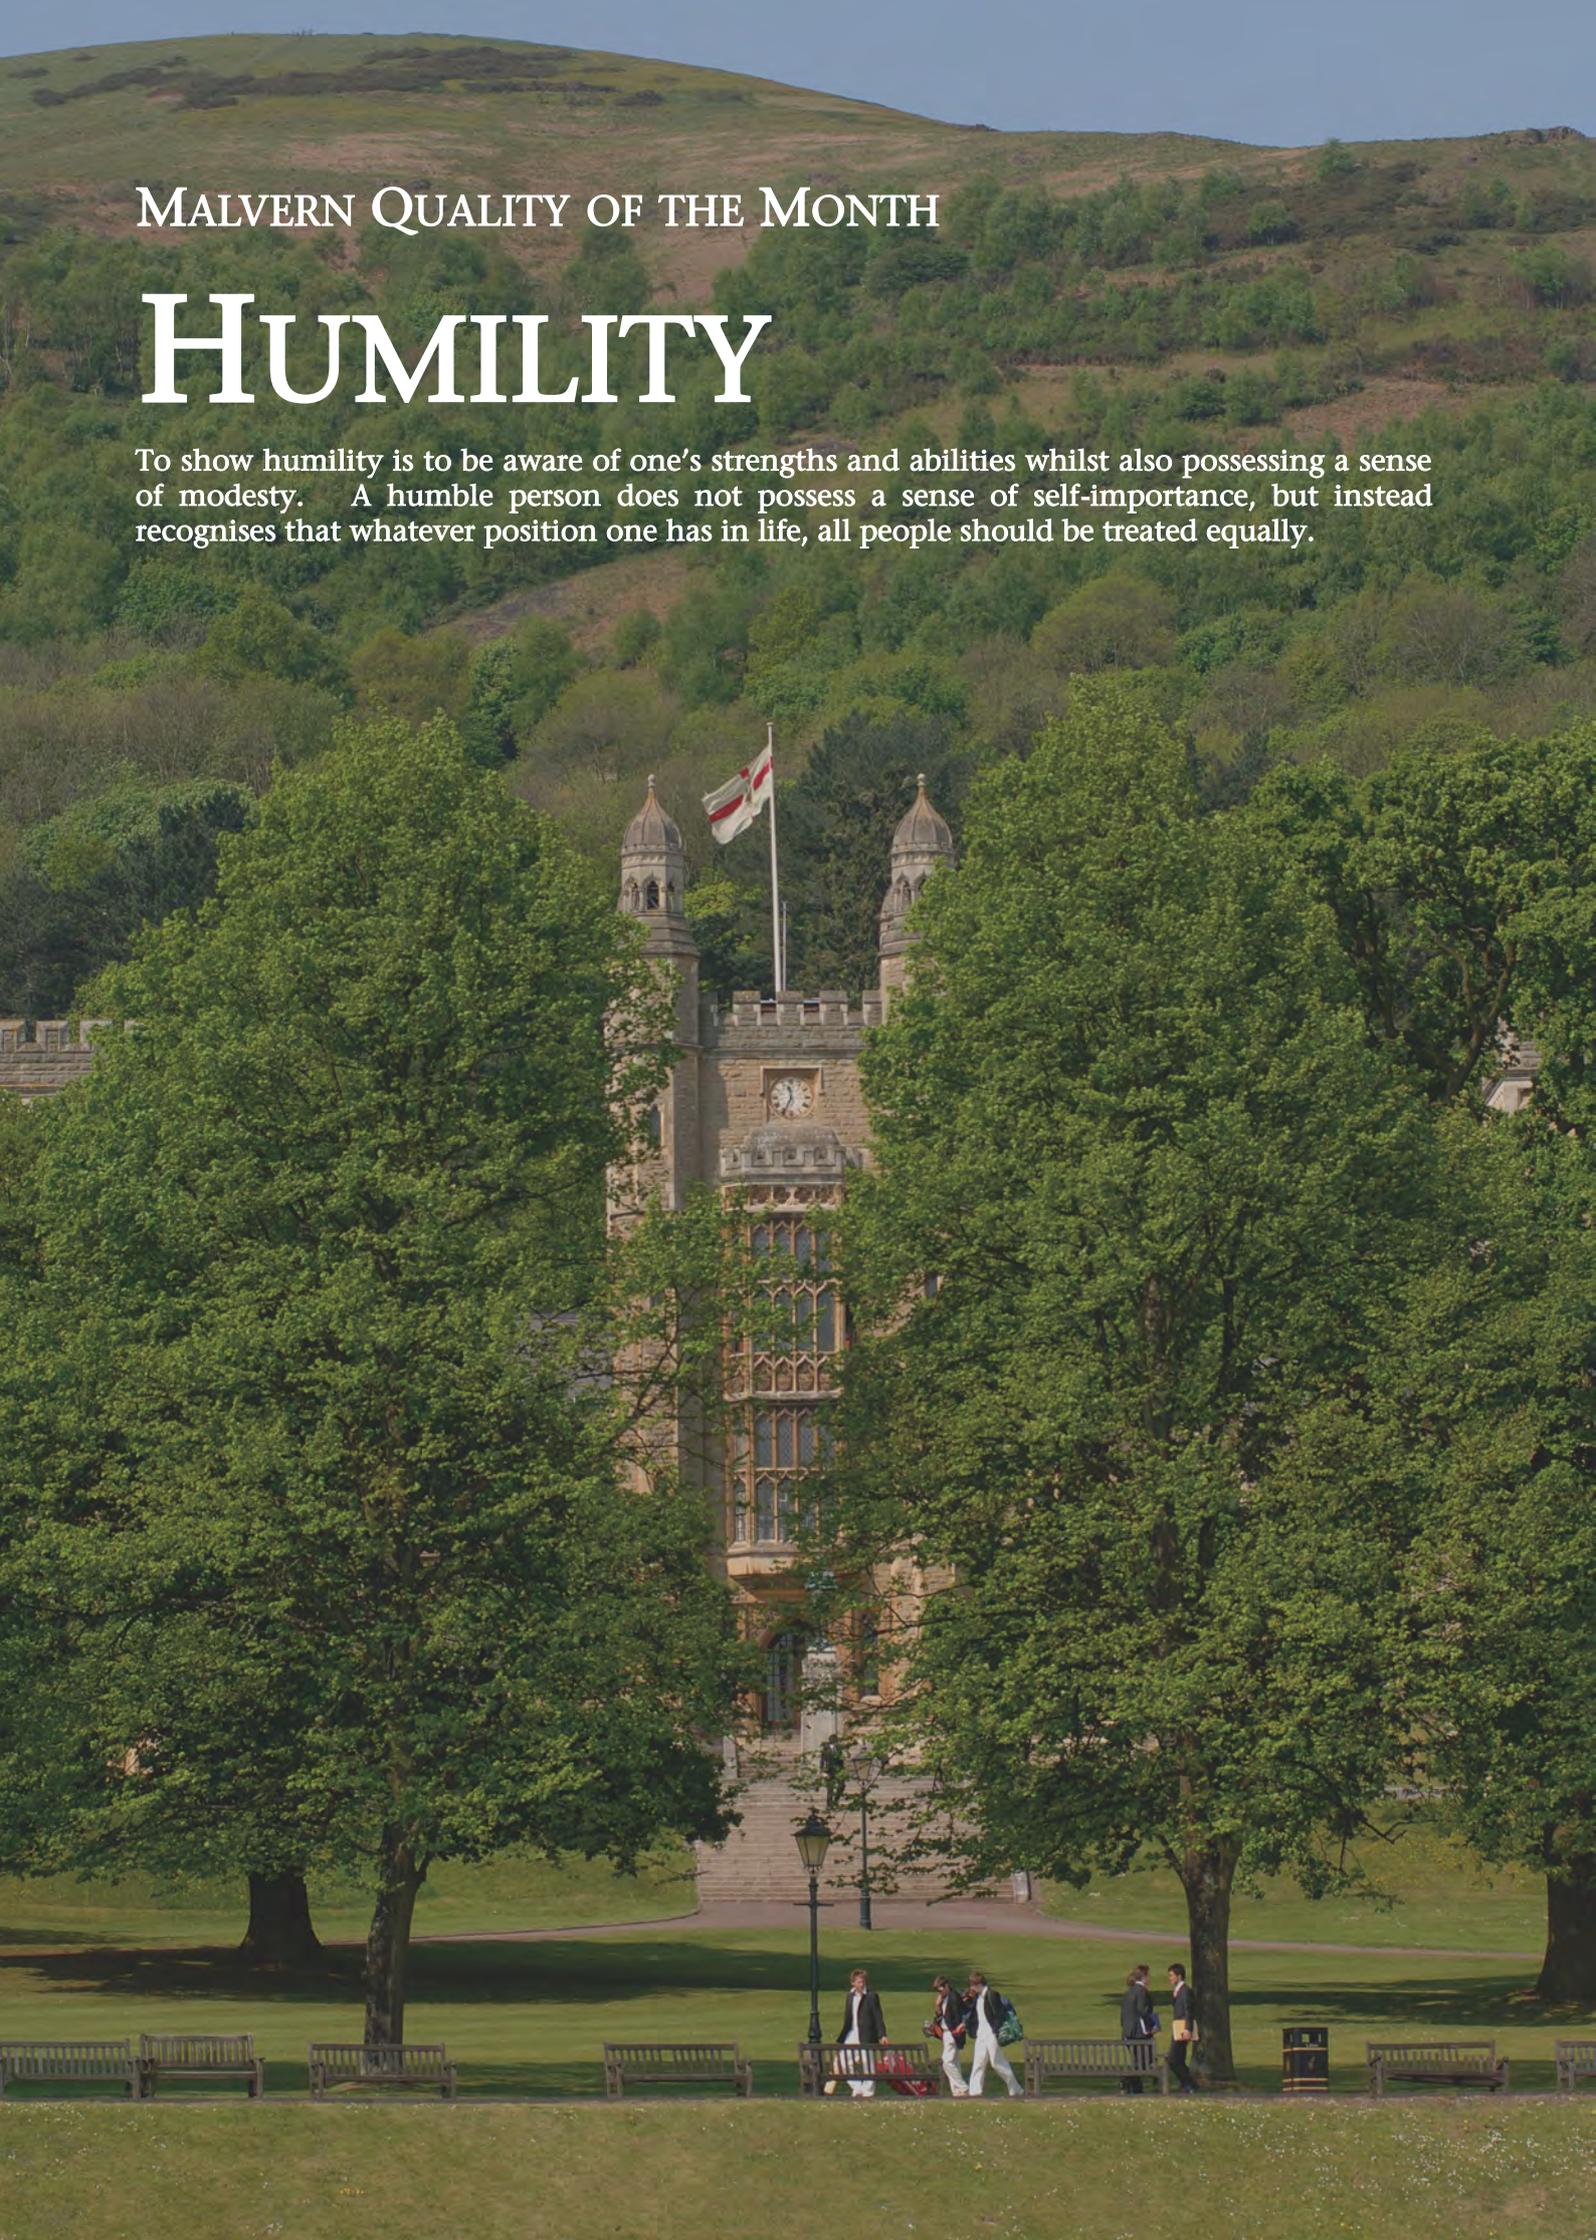

Dr Robin A. Lister
Founding Headmaster

MALVERN QUALITY OF THE MONTH

HUMILITY

To show humility is to be aware of one's strengths and abilities whilst also possessing a sense of modesty. A humble person does not possess a sense of self-importance, but instead recognises that whatever position one has in life, all people should be treated equally.

PREPARATIONS FOR THE NEW SCHOOL YEAR

We hope that you have all had interesting and relaxing summer holiday and that you're now looking forward to beginning the new school year with us at MCHK.

As one of our founding pupils, you will have received our Welcome Booklet which we hope you have had the chance to read as it contains lots of useful information about the school. We also hope that you have managed to send us your contribution pages. Please remember to tell us about your aspirations and what you'd like to achieve at MCHK. We are planning a large, unique project which will incorporate all of these pages and we'd like as many of you as possible to be included, so your input is important! However, don't worry if you've not done yours yet, there's still time to send it in before the start of school!

We expect that you will have some questions about school and you probably already have lots of ideas about what you'd like to do when get here. You may even be wondering where your favourite place in your new school is going to be? Will it be the Library, the Sports Hall, Big School (the auditorium), the Grub? The good news is, there are many super new spaces for you to explore and there are lots of exciting things for you to get involved in too, so we hope that you're really looking forward to starting a new term in your new school.

There are a few things which you might find helpful to think about before your first day. For example, Is your new uniform ready? Is your school bag packed? Have you thought about the kind of clubs and Co-Curricular Activities that you may like to join? There will be lots of activities on offer, some of which you may never have tried before, so we hope that you will be ready and willing to sign up and join in.

One last thing to remember is to enjoy the last days of your school holiday so that you'll be fresh and full of energy for the exciting year ahead.

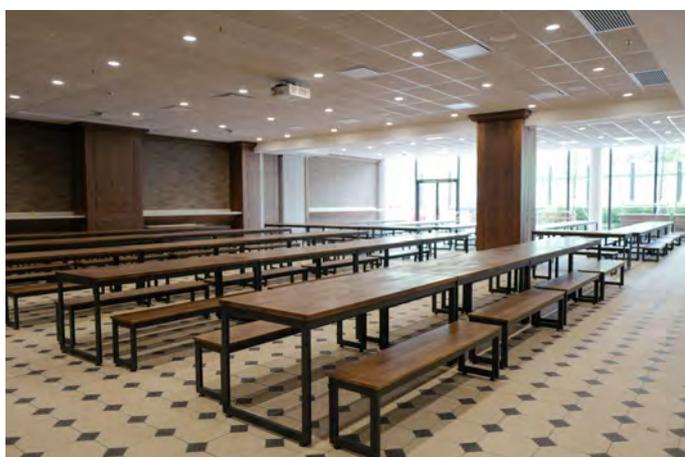

We are very much looking forward to seeing YOU soon!

CAMPUS UPDATE

We have been delighted to welcome all of our new teachers, many of whom have relocated to join us from all over the globe. They are a talented, professional team who are already working hard, ready to welcome our Founding Pupils on 27th and 28th August. We are thrilled to report that our Campus is also ready. The classrooms are filled with specially designed furniture; thousands of books have arrived for the library; the science labs are fully stocked with equipment and chemicals ready for experiments to begin; the visual art rooms have an array of paints and materials awaiting pupils to unleash their creativity and the Grub, with its stylish crockery and cutlery, is all set to serve a menu of delicious lunches from our professional on-site kitchens!

CAMPUS TOURS

We were very busy throughout August showing those new Malvern Families returning from their summer holidays, as well as many prospective families around the campus. We were delighted to see the positive reactions to the school and its many interesting design concepts. Whether it's the acoustic panelling on the three open floors which span from our library at the centre of the school, the double and single classrooms which offer teachers flexibility in their class planning or, the many glass sided project rooms and open exhibition areas which will enhance our enquiry based international curriculum. All were very well received by our visitors.

If you've not yet had the chance to visit our campus and would like to sign up for a tour, please click [HERE](#). We will contact you once future dates are confirmed.

UPCOMING EVENTS

Malvern Meets

We invite prospective parents to find out more about our school and our admissions process by joining one of our 'Malvern Meets'. Parents will have the opportunity to speak with our senior management team and with our Founding Headmaster, Dr Robin Lister. Please note, space is limited, and places are allocated on a first-come first-served basis. If you'd like to register, please follow the link below and we will send you an email once your request is confirmed.

College Malvern Meet

For registration, please click [HERE](#).

Pre - School Malvern Meet

For registration, please click [HERE](#).

Campus Tours

We organised a series of tours of our new campus in June. We are going to have more tours in the future. If you are interested in visiting our state-of-the-art facilities, please visit the following link below to register. We will contact you once the details are confirmed.

When: September

Where: Malvern College Hong Kong Campus

Please sign up [HERE](#) and we will send you an email if your place is confirmed.

Hong Kong International Schools Festival 2018

Next month, Malvern College Hong Kong will again be attending the International Schools Fair organised by The South China Morning Post. Our Marketing and Admissions Team together with members of our Senior Leadership Team will be at the MCHK booth ready to meet new and prospective families. In addition to the many booths, information sessions are also held, and we're delighted that Ms. Dudley will be speaking on "The Authenticity of a British School in an International Context" at the 10am session. Please do come along to say hello!

When: Saturday, 15th September 2018

Where: JW Marriott Hotel Hong Kong

Please visit [HERE](#) for details.
